Information Disclosure Statement

3. The information disclosure statement (IDS) submitted on October 20, 2003 and on February 12, 2004, were previously considered by the examiner and the Form 1449 mailed to the applicant on April 27, 2004. In order to clarify the record, the Form 1449 is being remailed with two corrections as noted below and shall replace all previous version of the Form 1449.

In the IDS of October 20, 2003, on page 12, the non-patent literature "Selected pages from AT&T Wireless, Bell Atlantic Mobile, and Nextel, as delivered through the Wayback Machine, web.archive.org" is not being considered as it lacks a date of publication.

In the IDS of February 12, 2004, pages 3 through 20 are a duplicate filing of the IDS filed October 20, 2003. Accordingly, pages 3-20 have been crossed out.
